BULLPEN MARVEL COMICS BULLETINS

Profile: LARRY MAHLSTEDT

A 14-year comics veteran, Larry Mahlstedt has landed the plum assignment of inking THE AMAZING SPIDER-MAN beginning this month. Larry started out at DC in 1980, winning acclaim for his work on Legion of Super-Heroes. He made the jump to Marvel a few years ago, inking NEW WARRIORS, first over Mark Bagley, then over Danck Robertson. Now Larry has taken on new power and responsibility, as he follows Mark Bagley into Spidey's web!

Where and when were you born?

In Babylon, Long Island, in 1956.

How did you learn how to draw?

I was totally self-taught, but one year out of high school, in 1974, I attended the John Buscema comic book workshop in New York. I was one of the thirty students in his first class. He didn't show me how to ink, but he taught me the tools and the techniques of comics.

How did you like John as a teacher?

He's a great guy. He's very easy-going. It was his first attempt at teaching, and he did pretty well. He showed us how to draw figures, how to lay down muscle, the dynamics of drawing and perspective, the effective use of black, etc.

Who are some of your artistic influences?

As far as inking, guys like Klaus Jensen, Terry Austin, Joe Rubinstein, Dick Giordano... I look at anybody's stuff and see if there's something in there I can use.

This must be an exciting time to be working on AMAZING SPIDER-MAN!

It's going to be awful interesting. There is the potential for a major shake-up. I couldn't have come on the book at a better time, what with the animated series, the big issue #400 coming up, the action figures, the live action movie whenever.

Do you have a favorite Spider-Man villain?

I always thought the Shocker was kind of cool... there's something about the padded insulation in his costume. Then there's the Scorpion and, of course, the Hobgoblin!

What character at Marvel do you want to work on that you haven't?

I want to do Deathlok in the worst way! I hear Danck Robertson is working on a Spider-Man/Deathlok Limited Series — hopefully I'll get to work on that.

Who was your favorite Beagle or Monkey?

My favorite Monkey was Mike Nesmith. He was cool... he had a wry sense of humor. And, of course, the wool hat!

Did you ever wish you had a clone, like Spidey does?

Yeah — many times! I'd put him to work inking!

I like to read... I'm big on mystery and horror. I like Robert Parker's Spenser stuff. For horror, I like Robert McCammon. Also, I collect superhero action figures. I have over 100! I'm really looking forward to the new line of Spidey figures — they have some characters I was hoping for, like the Vulture and a new Doc Ock, since the old Doc Ock looked like a wimp!

HYPE BOE

This month, the Fantastic Four premiere (along with Iron Man) in an all-new animated series called the **MARVEL ACTION HOUR**. To commemorate the event, we're launching two all-new comic books based on the TV series — one adapting Fantastic Four stories from the new show, one adapting Iron Man stories.

According to editor **Tom D'Amico**, **MARVEL ACTION HOUR: THE FANTASTIC FOUR** will take stories straight from the TV show, with the major difference being "we will make it look as much like a Marvel Universe comic as possible." Accomplishing this transition from TV to comics is writer **Joey Cavalieri** and artist **Quique Alcatraz**. The stories in the new FF TV show will be based on "all the great old Lee/Kirby stories," Tom said. The first issue starts off with the team's origin — "but with a special twist!" Among the heroes and villains you'll be popping up are the Silver Surfer, the Sub-Mariner,

If you want to learn more about the Iron Man segment of **MARVEL ACTION HOUR**, as well as his upcoming toy line, and the "Hands of the Mandarin" crossover, take a look at **IRON MAN AND FORCE WORKS COLLECTORS' PREVIEW #1**, including the armor even Tony wouldn't build, a chance to win great prizes, and tips on how to become a hot Marvel artist. As a bonus, **Tom Morgan's** specially-commissioned wraparound cover has hot neon special effects.

BEAVIS AND BUTT-HEAD IN: How TO MEASURE YOUR BUTT SIZE

ENVISIONED
PRODUCED
SCRIPTED
DIRECTED
BY
RICK PARKER

AS A FAVOR TO MR. VAN DRIESSEN, I'M HELPING TUTOR BEAVIS AND BUTT-HEAD IN READING. I THOUGHT WE'D START WITH WHAT IS LUDICROUSLY REFERRED TO AS THEIR "FAN MAIL."

Dear Beavis and Butt-Head,

Hey Monkey Spanks. I think that one chick who talks to you all the time, likes one of you. Daria, she always seems to find a reason to be around both of you. She's cool, but she wears too many clothes. She should at least wear shorts like you do. Maybe you two should have some lingerie catalogs sent to Daria's house. Then she can get a black lace teddy or something more kinky, that shows off her thingies. That would rule, but if she got naked, she would be too hot to handle then. Think about that, dudes! Then go give Daria a pinch on her butt for me.

PS I have no
butt size.

Drool on, guys.

IT'S MORE LIKE "WHICH ONE OF YOU GETS ANY BABES?"

Dear Beavis and Butthead
You guys are a bunch of Fast Knuckers. But you're the only fast knuckers that doesn't suck. Oh, did that make sense? Are you guys ever going to try to score with Charla Morgendorfer, or what ever her name is? Well, until you bung holes spit up, I'll keep reading.

Butt-size: Uh,
why do you want to know?
